

The screenshot shows a dark-themed code editor interface, likely Visual Studio Code, displaying a Markdown file named `analysis_report.md`. The file contains the following content:

```
1 # 📈 Sales Analysis Report
2
3
4 ## Key Insights
5 - **Top Product:** Laptop with sales of 2,080,045.00
6 - **Monthly Peak:** 1-03 with 1,913,152.00
7 - **Top Region:** South contributing 2,303,849.00
8
9 ## Visualizations
10 - Bar chart: Sales by product
11 - Line chart: Monthly sales trend
12 - Pie chart: Regional sales distribution
13
```

The left sidebar shows a file tree with the following structure:

- PERSONAL
- .vscode
- report
- analysis_report.md
- visualizations
- monthly_sales_trend.png
- regional_sales_distribution.png
- sales_by_product.png
- analysis.py
- sales_data.csv

The bottom status bar displays system information: Ln 1, Col 1, Spaces: 4, UTF-8, CRLF, [] Markdown, t: 0.86 KB/s, L: 0.76 KB/s, ENG IN, 18:04, 05-02-2026.
